### III. **New Business**

Bruce Barbarasch provided an overview of the Fanno Creek as it goes from the City of Portland boundary to the City of Tigard boundary. The three primary sections are Garden Home Recreation Center to Allen Blvd., Allen to Denney Road, and Denney Road to Greenway Park. Over the years the natural areas along the way have seen an increased level of stewardship including major enhancements, such as the stream re-meandering project and new bridge installation in the Fanno Creek Greenway. The Scholls Ferry Road undercrossing at Greenway Park was improved this fall. The at-grade crossing will begin a planning phase in 2023.

### **Other Business:**

The committee briefly discussed preparations for new member interviews in November.

Meeting adjourned at 8:15 p.m.

Respectfully submitted,

Bruce Barbarasch, ad-hoc secretary
